Definitions

We've tried to make this document as easy to use and understand as possible. However, there are still a handful of words and phrases that you may not be familiar with, so we've explained these where we use them in the document.

Some words also have a technical meaning, and have a very specific meaning when we mention them in your policy. We've defined those words below, and these definitions apply wherever we use those words in the rest of the document.

The Home Legal Expenses, Home Emergency and Home Excess Reimbursement sections of cover have their own definitions, which are shown in the relevant sections.

Unoccupied

We consider your home to be unoccupied when it is not lived in and not used overnight by you or your family for more than 60 days in a row. By lived in we mean has been slept in for 5 consecutive nights every month or 2 consecutive nights every week.

We also consider your home to be unoccupied if there isn't enough furniture and furnishings for normal living purposes, or if it has squatters living in it without your permission.

The number of unoccupied days starts from the date that you or your family last left the home, which may be before the date your policy started.

What is an Excess and how does it work?

An excess is the amount you will have to pay towards any claim you make. For example, if you make a claim for £1,500 and have an excess of £100 on your policy, we'd only pay you £1,400.

Your total excess will be made up of a compulsory excess which we set and your voluntary excess which you choose. There are different excesses for escape of water or subsidence.

Details of the excesses you have to pay are shown within your Schedule.

The below example provides a simple view of how the excesses would work following a claim.

Example 1 - You have a fire in the kitchen which causes damage to the buildings.

The cost to repair the damage is £5,000. If you have a £100 compulsory excess and a £200 voluntary excess, you would have to pay £300 towards the repairs. The insurer will pay the remaining £4,700.

Example 2 - A pipe bursts in the bathroom, leading to an escape of water claim.

The cost to repair the damage is £2,000. As the escape of water excess is £500, you would have to pay £500 towards the repairs. The insurer will pay the remaining £1,500.

Example 3 - Your house keys have been lost.

The cost to replace the locks and keys is £1,750, however you are only covered up to £1,000. You have a compulsory excess of £100 and voluntary excess of £50.

As the claim is more than the cover provided, the insurer will pay out a maximum of £1,000 once the excess has been paid, you will be responsible for the rest.

If you make a claim under more than one section of your policy for the same incident, you will only have to pay one excess amount. This will be the higher excess amount.

Guide to Making a claim

For many people making an insurance claim is a new experience and can be a stressful time. If you ever need to make a claim, we're here to help you every step of the way

We will do our best to make sure that:

- Claiming on your home insurance is simple and straightforward
- You understand what's happening every step of the way
- Your claim is handled as soon as possible

Here are a few ways you can feel better prepared if you ever need to make a claim.

Before you contact us

If something has been stolen or vandalised, ensure you call the Police first and get a crime reference number. If something has been lost, try to make every effort to get it back for example lost property or retracing your steps.

Who do I call if I need to make a claim under the policy?

For claims under buildings or contents, please call the number shown on your schedule.

If your claim is in relation to the additional covers provided, please call:

- Home Legal Expenses please call 0330 159 0646
- Home Emergency please call 0333 035 9641
- Home Excess Reimbursement please call 0333 035 9644

If possible, please be ready to give the claims team:

- your policy number
- your home postcode
- the nature of the problem

Unless in the case of emergency, please do not carry out any repairs or replace any items yourself without us agreeing to it first.

It's really important that you don't throw away any damaged items until we say so.

If you have had to pay a tradesperson to make urgent repairs necessary to prevent further loss or damage you should ask for and keep hold of any receipts they give you.

If a person makes a claim against you, do not admit liability. Contact Safeguard immediately and send us any writ or summons unanswered.

Do not negotiate or settle any claims made against you, unless we have agreed that you can.

What might we ask you to do or what we might need to do?

To help us handle your claim as quickly as possible we may:

- ask you to take steps to recover any property which has been lost
- ask you to send us at our expense, all the documents and information (including written estimates and proof of value or ownership) we may require
- enter any building where loss or damage has happened
- take control of the remains of any property insured by the policy for which we have agreed to pay a claim and deal with it in a reasonable manner
- leave the remains of any property insured by the policy for which we have agreed to pay a claim with you to deal with as you see appropriate
- take-over, defend or settle any claim made against you
- take legal action in your name for our benefit, at our own expense, whether or not payment has been made and whether or not you have been fully compensated.

What happens when I make a claim?

To make a claim please phone the claims number in your schedule and tell us what has happened.

As long as the loss or damage is covered under your policy, and you have followed all the general conditions (see page 56) we will decide whether to settle your claim by:

- rebuilding (buildings only)
- repairing
- replacing
- by making a payment in respect of the damaged part of your buildings / contents

Your schedule will tell you how much cover you have.

Buildings

All repairs to your buildings will need to be carried out without delay to prevent further damage occurring.

If we offer to repair or replace your buildings this will be through our network of suppliers, but if we agree to pay you in cash, then payment will not exceed the amount we would have paid to our network of suppliers.

Any general renovation, structural and redecoration repair works carried out by contractors appointed by us are guaranteed for 12 months.

What happens if you cannot repair/rebuild my buildings?

If repair or rebuilding is not carried out, we will pay you the lower of:

- the amount by which the buildings have gone down in value as a result of the damage
- the estimated cost of repair or rebuilding

What happens to matching pairs, sets, suites and flooring?

We treat each individual item of matching sets, suites and fittings or other articles of a similar nature, design or colour, as a single item.

In the event of loss or damage to parts of your buildings which form part of a set of common design we will only pay for the replacement or repair of the lost or damaged item.

If an item within a set or suite is damaged, the other items may lose value even if they have not been damaged. We will not pay for this loss in value under your policy.

If a wooden, laminate or vinyl floor covering is damaged beyond repair we will only pay for the damaged floor covering.

We will not pay for undamaged floor coverings in adjoining rooms even if they are the same colour or design.

Contents and Personal Possessions

If we offer to repair or replace your contents this will be through our network of suppliers, but if we agree to pay you in cash, then payment will not exceed the amount we would have paid to our network of suppliers.

What happens if you cannot repair/replace my contents?

If no equivalent replacement is available then we will pay the full replacement cost of the item with no discount applied.

What happens to matching pairs, sets, suites and flooring?

We treat each individual item of matching sets, suites, high risk items or other articles of a similar nature, design or colour, as a single item.

In the event of loss or damage to parts of your contents which form part of a set of common design we will only pay for the replacement or repair of the lost or damaged item and not for any other items that have not been lost or damaged solely because they form part of the set or suite.

If an item within a set or suite is damaged, the other items may lose value even if they have not been damaged. We will not pay for this loss in value under your policy.

If a carpet or curtains are damaged beyond repair we will only pay for the damaged carpet or curtains.

We will not pay for undamaged carpets or curtains in adjoining rooms even if they are the same colour or design.

What happens if I have more than one claim in the period of insurance?

We will pay in respect of each claim up to the buildings or contents limit shown on your schedule or in the policy, provided that all replacement or repair work is completed for each claim and any recommendations we make to prevent further loss or damage are carried out without delay.

What happens if I have not insured my buildings or contents for the right amount?

If, at the time of you making a claim, we discover that you didn't have enough cover, dependent on the circumstances we may choose to:

- charge the full premium due based up the correct levels of cover and pay your claim in full
- refuse to pay your claim, and/or
- cancel your policy in line with "Cancelling Your Policy" (see page 57)"
- reduce your claim payment in direct proportion to the amount of premium underpaid (see example below)

For example, if you bought £50,000 of cover for your contents and we calculate that they're actually worth £100,000, we will calculate how much you would have had to pay us to cover you for the full amount.

If you were paying £300 a year for your cover and we calculate that you would need to have paid £500 a year for the level of cover you needed, we'd calculate that £300 is 60% of £500.

As a result, we would only pay 60% of any claim you make on your contents policy. This would apply even if you were making a claim which is below your policy's maximum sum insured.

So if you made a claim for £50,000, we'd only pay £30,000 in this example.

For this reason, it's really important you tell us about any changes to your property, or any increase in value of your belongings.

Will I need to provide you with receipts or any proof of ownership for any of my contents?

You'll need to provide details of everything that's been lost, stolen or damaged, and we may ask for receipts or proof of purchase in some cases. If you are unable to provide this information we may choose to reduce your claim payment or refuse to pay your claim.

How we handle a claim for loss of Keys?

If the keys of external doors and windows of your home are lost or stolen, we will work with you to agree the relevant approach to repair or replace your locks and keys.

SECTION 1: BUILDINGS

YOUR SCHEDULE WILL SHOW IF YOU HAVE CHOSEN BUILDINGS COVER.

This section provides details of the cover provided for your buildings.

The below limits are payable after the excess has been paid, your excess can be found in your Schedule.

Further details on how the excess works can be found on page 9

Buildings sums insured	See schedule
Alternative accommodation and Loss of rent	£50,000
Homeowners' legal responsibilities	£2 million
Trace and access	£5,000
Loss or theft of keys	£1,000

WHAT WE COVER YOU FOR:

WHAT WE DON'T COVER YOU FOR:

Loss or damage to your buildings caused by:

- The excess which is shown in the relevant section below or on your schedule
- Anything noted in the general exclusions section

1. Fire, smoke, explosion, lightning or earthquake

Damage caused by fire, smoke, explosion, lightning or by an earthquake.

2. Riots and other disturbances

Damage caused by a riot, civil commotion, strikes, labour or political disturbances.

3. Vandalism

Damage caused by vandalism

Loss or damage caused:

- by you, your family, lodgers, paying guests, tenants or employees e.g. cleaner
- while the home is unoccupied

4. Storm or flood

Damage caused by storm or a flood

By a storm, we mean strong winds of over 55mph or damage by extreme rain, snow or hail. Rainfall is extreme if more than 25mm falls in an hour. Snowfall is extreme if 30cm or more falls in a 24-hour period and hailstones are extreme if they exceed 20mm in diameter.

By flood, we mean water that comes suddenly into your buildings from outside, and which enters at the ground floor or below.

Loss or damage caused:

- to gates, hedges and fences
- to swimming pool and hot tub covers
- by rain or water to the inside of your buildings if the water gets into your home as a result of poor workmanship, bad design or wear and tear
- by rising damp, penetrating damp or due to a rise in the water table
- caused by frost

You can't make a claim for damage caused by subsidence, heave or landslip under the storm or flood part of the policy. These claims must be dealt with under the subsidence part of the policy and a higher excess would apply.

5. Leaking or freezing water & leaking oil

Loss or damage caused by:

- water or heating oil leaking from storage tanks, pipes or heating system and water leaking from drains and damage caused by water freezing within any of these
- water leaking from or freezing in your home appliances or fish tank

Trace and Access (finding the problem)

If your buildings are damaged we'll pay to find the leak, and the cost of repairs to walls, floors or ceilings up to £5,000. You must get our agreement before work starts, so we can decide whether finding the leak is the most practical and cost-effective solution to the problem.

Loss or damage caused:

- while the home is unoccupied
- by the escape of water from guttering, rainwater down pipes, roof valleys and gullies
- by the overflowing of water from sinks, wash basins, bidets, baths and showers due to taps being left on
- by the failure, lack of or wear and tear of sealant or grout
- to the pipework or other parts of the water or heating system unless caused by freezing

You will need to pay the 'Escape of Water' excess as stated on your schedule if the claim is related to a water leak.

We won't pay for any costs associated with finding a leak, unless the buildings have been damaged by the leaking water or oil.

You can't make a claim for damage caused by subsidence, heave or landslip under this part of the policy. These claims must be dealt with under the subsidence part of the policy and a higher excess would apply.

6. Theft or attempted theft

- damage to your buildings as a result of theft or an attempted theft
- any fixtures or fittings, such as copper pipes, are stolen

Loss or damage caused:

- by you, your family, lodgers, paying guests, tenants or permanent employees e.g. nanny, cleaner or gardener
- whilst the home is unoccupied
- while the home is lent, let or sublet or shared unless there has been forced and violent entry into or exit from the home

7. Damage caused by moving objects

Where your buildings are hit by moving or falling object such as aircraft, vehicle, animals, satellite dishes, aerials or satellite aerials, their fittings or masts, falling trees or branches or flying devices or anything falling from them.

We will also pay the cost of removing trees or branches if they have caused damage to your buildings.

Loss or damage caused:

- to hedges, gates or fences unless the home is damaged at the same time and by the same cause
- by household pets
- by felling, lopping or topping of your trees
- to the device e.g. satellite dish and its installation
- The cost of removing the part of the tree that is still below ground.

8. Subsidence, heave and landslide

Damage to your buildings caused by subsidence heave or landslide.

Subsidence is the downward movement of the ground underneath your buildings.

Heave is the upward or sideways movement of the ground underneath the buildings, which can happen as a result of the soil expanding.

Landslip means the downward movement of sloping land underneath your property. For example, if you lived on a hill and the ground below your property moved, causing damage to your main building.

Please note there is a higher excess of £1,000 payable by you for claims under this section of your policy.

Damage caused by or resulting from:

- the materials they're built from shrinking or expanding
- coastal or river erosion to the land under or around your buildings
- the movement of solid floor slabs unless the foundations beneath the external walls of the home are damaged at the same time and by the same cause
- settlement - Settlement is the downward movement of the buildings caused by the soil underneath them becoming compressed by the weight of the buildings. It's different to subsidence, because it's caused by the weight of the property, rather than the soil changing underneath your property. It tends to happen in the early years after a building or extension has been built.
- bedding down of new structures, settlement, movement of made up ground, shrinkage or expansion
- demolition, structural alteration or repair work
- poor design, faulty unprofessional work or the use of defective materials or work which did not meet building regulations at the time of completion

<p>10. Damage caused by emergency services</p> <p>Damage to your buildings and garden items within the boundary of your home caused by the emergency services getting into your home to deal with an emergency or to prevent damage to your buildings.</p> <p>By garden items, we mean flowerbeds, hedges, lawns (including artificial lawns) or plants.</p>	
<p>11. Your claims limit for this part of your cover is £50,000.</p>	<p>If your schedule shows you are covered for buildings and contents and you make a claim for alternative accommodation, we will only make one claim payment under either your buildings or contents section of cover.</p>

Are **you** having an **emergency** relating to one of the following:

Plumbing and Drainage.

Failure of internal electrics.

Pests.

Gas supply pipe.

Boiler & heating system.

Electricity or water supply pipe.

If so, please call us as soon as **you** are aware of the **emergency** to obtain assistance, on the 24 hour **Emergency Helpline: 0333 035 9641**

You should have the following information available, when making a claim.

- Your name, **home** postcode and contact details
- An idea of what the problem is

You may not claim under section 5 – **Home** Emergency Cover for the first 14 days unless your policy is a renewal of a previous policy.

What will happen next

If we agree **you** have suffered an **emergency** at your **home** and cover is in place, we will:

- Advise **you** how to protect yourself and your **home** immediately;
- Arrange for one of our **authorised contractors** to get in touch with **you** to make an appointment
- We, along with **our authorised contractors** under our delegated authority, will manage your claim from that point onwards and keep **you** updated throughout your claim journey;
- Agree to settle your claim on a **reimbursement basis** which may happen in circumstances when we may find it difficult to deploy an **authorised contractor** to attend your **home** or deal with your **emergency** within a reasonable timescale. Examples of such circumstances are:
 - Excessive demand
 - Bad weather
 - Industrial action
 - Parts availability
 - Availability of a specialist.

In these circumstances, **you** may, with our prior agreement, arrange for your own contractor to resolve your **emergency** and we will refund the cost of your contractor up to £500 inc. VAT for the work they complete to resolve the **emergency** repair covered under your policy.

Please provide a fully itemised invoice or receipt from your own contractor to support your claim for reimbursement. If a new boiler or heating system is installed, you will also need to provide the make, model, serial number and Gas Council number.

- We will organise and pay up to £500 per claim including VAT, call out, labour, parts and materials to carry out an **emergency** repair;

If the **emergency** repair costs more than £500, we will require **you** to contribute the difference or subject to our prior agreement and on receipt of your engineer's fully itemised and paid invoice, we would pay you up to £500 inc. VAT as a contribution to the cost of the **emergency** repair covered under this section which **you** will arrange yourself, deducting the costs already reasonably incurred by our **authorised contractor**, for the initial visit.

This will be in full and final settlement of your claim

- In the event of your **home** becoming uninhabitable and remaining so because of a covered **emergency**, **we** will contribute up to £200 inc VAT towards the cost of your (including your pets) accommodation including transport, on a **reimbursement basis**;

When we make a repair we will leave your **home** safe and habitable but we will not be responsible for reinstating it to its original condition, although this may be covered under a buildings insurance.

2. Permanent repairs

Once we have carried out an **emergency repair** and contained the **emergency** for **you**, (this may only provide a temporary solution to the problem) **you** will need to arrange for a **permanent repair** to be completed by a qualified tradesperson as soon as possible. If **you** do not have a **permanent repair** completed within 3 months of the **temporary repair** and the **emergency** happens again due to the same fault the **emergency** would not be covered.

3. Other insurance

If **you** make a claim for any liability, loss or damage that is also covered by any other insurance policy, we will only pay our share of the claim.

4. Getting our claims costs back

If we think someone else is at fault for a claim that we pay, we may follow up that claim in the name of anyone claiming cover under your policy to get back the payments that we make. Anyone making a claim under your policy must give us any help and information that we need.

5. Parts availability

Availability of parts is an important factor in providing **emergency repairs**. If our engineer does not carry the spare parts needed on the day of your appointment, we will do all we reasonably can to find and install parts from our approved suppliers. In these cases we will not be able to avoid delays in repair; we will keep **you** informed throughout your claim.

We may use new parts or parts that have been reconditioned by the manufacturer or approved third parties. We may not replace parts on a like for like basis but will provide an alternative suitable for containing the **emergency**. However, there may be times when replacement parts are delayed because of circumstances beyond our control.

There may also be occasions where parts are no longer available. In these situations we will ensure your **home** is safe and if required, we will arrange for **you** to receive a quotation for a suitable replacement item at your cost.

Your Policy Explained

What is Home Excess Reimbursement Insurance?

Most Home Insurance policies apply a policy **Excess**, which is the amount **You** are responsible for paying towards any claim under the policy. Home Excess Reimbursement Insurance is designed to repay **You** the amount of any policy **Excess** **You** have to pay when **You** make a successful claim under **Your Main Insurance Policy**.

To Qualify for Cover

1. **You** must be named as the policyholder under the **Main Insurance Policy**.
2. This insurance only applies if the **Excess** is under a **Main Insurance Policy** for **Your** own home insurance policy. Home Excess Reimbursement Insurance applies only to **Your** own personal insurances. It will not include any commercial insurances of any nature.
3. **You** must be a permanent resident of the United Kingdom or the Isle of Man.

Section 8: Optional Home Excess Reimbursement

What is Covered

If **You** make a successful claim under **Your Main Insurance Policy**, **We** will reimburse **You** the amount of any **Excess** that **You** had to pay. The maximum we will pay in any one Period of Insurance is £500.

We will make this payment provided that:

- a. the incident that gave rise to the claim under **Your Main Insurance Policy** happened during the **Period of Insurance**;
- b. the claim under **Your Main Insurance Policy** was successful and was for more than the amount of the **Excess**;
- c. the incident that gave rise to the claim under **Your Main Insurance Policy** happened later than 30 days after the **Start Date of Cover** of this Home Excess Reimbursement **Policy**. **You** can claim more than once during the **Period of Insurance** but in total **We** will only reimburse **You** up to the **Maximum Reimbursement Limit** shown in the **Schedule**.

Conditions which apply to this Policy

In addition to the general conditions set out at page 56, the following conditions listed below, apply to each and every part of the **Policy** set out in this Section 8. If **You** do not comply with these conditions, **We** may not be able to pay **Your** claim.

1. **You** must comply with the conditions outlined in the **Main Insurance Policy** to ensure that **You** can claim under this **Policy**.
2. **We** may at **Our** own expense take proceedings in **Your** name to recover compensation from any third party in respect of any indemnity provided under this insurance and any amounts so recovered shall belong to **Us**. **You** must provide all reasonable assistance to **Us**.
3. **You** must tell **Us** if **You** are reimbursed by any other party any amount that relates to a claim that **You** have submitted to **Us**.
4. If any claim is covered by any other insurance, or would have been covered if this **Policy** did not exist, **We** will:
 - calculate the proportion of the claim that would be covered by that other insurance, and pay **Our** share of the entire claim. **We** will pay only **Our** share, even if the other insurer refuses the claim.
5. This is an agreement between **Us** and **You**. A person who is not a party to this insurance has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this insurance but this does not affect any right or remedy of a third party which exists or is available apart from that Act.

Exclusions which apply to this Policy

The following exclusions listed below apply to each and every part of the **Policy** set out in this Section 8. This **Policy** does not provide cover:

1. If the incident that gave rise to the claim under **Your Main Insurance Policy** happened before the **Start Date of Cover**, as stated in **Your Schedule**. If the incident that gave rise to the claim under **Your Main Insurance Policy** happened within the first 30 days immediately following the **Start Date of Cover**.

Cancelling Your Policy

If you do not exercise your right to cancel your policy, it will continue in force and you will be required to pay the premium.

Cancelling before the policy starts

If you or we cancel your policy before the start date, we will refund your entire premium to you.

Cancelling after the start of the policy

You can cancel your policy at any time (including during the 14 day cooling off period) by letting us know. As long as no claim has been made or is going to be made, we will refund the premium for the exact number of days left on your policy. If you have made a claim or one is expected to be made and we have been unable to recover our costs we will not refund any premium, we will also not refund any premium you have paid for an optional extra cover if you have made a claim on those covers or one is expected to be made.

We have the right to recover any outstanding premium you owe following cancellation if you are paying by Direct Debit.

Our right to cancel your policy

We have the right to cancel this policy at any time by giving you 7 days' notice to your last known address or email address, if we have a good reason to do so.

Reasons why we may decide to cancel your policy include things such as:

- if you do not pay your premium or instalment payment by the payment due date. We will take reasonable steps to give you a chance to make the outstanding payments before we cancel your policy
- where we reasonably suspect fraud
- we identify that incorrect information was given to us on purpose, which means we no longer wish to insure you
- where you have not taken reasonable care to provide complete and accurate answers, and failed to put this right when we asked you to
- changes to the information that you provided us when you purchased the policy, which are shown on your Statement of Fact or Schedule, that mean we no longer wish to insure you
- use of threatening or abusive behaviour or language, or intimidation to our staff or suppliers by you or someone representing you.

As long as no claim has been made or is going to be made on your home policy, we will refund the premium for the exact number of days left on your policy. If you have made a claim or one is expected to be made and we have been unable to recover our costs we will not refund any premium.

If we discover that you have deliberately withheld information from us, or you gave us wrong information because you intentionally didn't take care when communicating with us, we may be entitled to void your policy. This means we would treat the policy as though it had never been issued. We may also refuse to pay any claim and keep any premium you've paid.

We also reserve the right not to invite you to renew your policy.

Contracts (Rights of Third Parties) Act 1999

No third party will have, or be able to enforce any term of your policy under the Contracts (Rights of Third Parties) Act 1999. This does not affect the rights or remedies available to a third party, apart from this Act.

Your legal rights are not affected should you refer your complaint to the Ombudsman.

Renewal

We will let you know when your policy is due to expire and in most cases we will include an offer to renew your policy for another year.

If any information has changed, is incorrect or not true to the best of your knowledge or belief or your excesses and/or endorsements no longer suit your needs, or even if you are unsure, please contact us as soon as possible as this could affect your insurance cover and the renewal terms offered.

We may automatically renew your policy on the renewal date. If we are going to automatically renew your policy, we will write to you before the renewal date with details of your renewal terms. Make sure you check the excesses and endorsements as these may be different to your previous home policy.

If you pay your premium by Direct Debit, we will continue to take payments from your bank account for the renewal premium.

If you do not want to renew your home insurance

If you do not want to renew, you must tell us before the renewal date. We will refund any payment that was taken for the renewal premium.

If you do not want to renew, but you only tell us after the renewal date and we have automatically renewed your policy, as long as no claim has been made or is going to be made on your home policy for the time you have been insured since your renewal, we will refund the premium for the exact number of days left on your policy.

If you have made a claim for an incident occurring after the renewal date and we have automatically renewed your policy, or one is expected to be made and we have been unable to recover our costs we will not refund any premium and we have the right to recover any outstanding premium you owe if you are paying by Direct Debit.
